

# Application for Educational Resources Keystone Conference Free Methodist Church

## **OUR MISSION**

The MEG/MAC of the Keystone Conference is charged to assist, encourage and hold accountable the pastors and key lay leaders of our churches.

It is our desire to ensure that education and guidance relevant to the diverse ministries across our conference is accessible. With that in mind we want to provide for those appointed by the Keystone Conference to fulfill educational requirements necessary to complete ordination, and also to equip those who are ordained to lead their respective ministries with healthy vision and purpose.

## **SCHOLARSHIP PROCESS**

The MEG/MAC welcomes applications from pastors and ministerial candidates in the Keystone Conference who are desirous of continuing education that directly applies to their needs and or responsibilities. Monies set aside will be used to resource individuals who are in need of coursework either to complete ordination requirements or to assist them in advancing their expertise in specific areas relevant to their ministry through degree programs, seminars, conferences, etc.

Applications are reviewed bi-monthly. However, requests should be made at least two months prior to the anticipated need and will be processed on a first come, first served basis.

If course or training is not completed the recipient is responsible to repay the scholarship to the conference.

Please send the completed application to MEG Board chair Chris Hill at : [chris.chillpa@verizon.net](mailto:chris.chillpa@verizon.net) or mail to the conference office, 202 Wilson Ave., Oil City, PA 16301.
